 - a. Ensure that all relevant staff are appropriately trained on the deal origination processes.
 - b. Ensure that all client applications and deals received per branch and per agent are appropriately logged and that volumes and speed of processing is regularly monitored and managed.
 - c. Ensure that deal turnaround time from receipt to disbursement is appropriately monitored and managed.
 - d. Ensure that all deals are loaded onto PSM with correct instalments and terms recorded prior to disbursement.
 - e. Facilitate the audit of all deals received to ensure compliance and to ensure zero tolerance for audit errors.
 - f. Ensure that all consolidation deals are recorded, cheques are collected and deposited to the respective supplier’s accounts, third party settlement letters are prepared, applicable third party uploads are cancelled before disbursement of the balance of the application and turnaround time herein is closely monitored and managed.
 - g. Ensure that bank letters for disbursements are prepared, signed and delivered to all banks on time and whenever there is a delay liaise with the service centres to avoid clients calling in enquiring about their money.
 3. Collections functions:
 - a. Maintain overall responsibility for effective management of the entire credit control function.
 - b. Daily monitoring and management of credit control activities and results.
 - c. Daily, weekly and monthly reporting on collections results.
 4. Operational management:
 - a. Maintain overall responsibility for the entire back office team and their respective functions.
 - b. Operationally monitor internal and external customer service levels, in consultation with any identified internal and external stakeholders.
 - c. Recommend strategies for improving operations of the department.
 - d. Maintain ongoing and updated knowledge of all Standard Operating Procedures (SOP’s) and become the custodian thereof.
 - e. Prepare weekly and monthly reports including overseeing monthly internal audit reports.
 - f. Arrange management meetings and provide input to steer the business towards achieving its objectives.
 - g. Maintain responsibility for management of the company’s assets, including motor vehicles and computer equipment.
-

- h. Track pool car usage, expiry date for tax clearances and insurances and ensure that the vehicles are serviced and road worthy at all times.
 - i. Maintain control and oversight over all creditors' payments.
5. Staff management:
 - a. Conduct staff training from time to time and provide ongoing support.
 - b. Management of the performance of all members of your team, including drafting, monitoring and evaluating key performance indicators for each role within the team.
 - c. Aligned with this, you will also be responsible for regular assessment of individual performance, including formal performance appraisals and management of poor performance.
 6. IT and physical environment:
 - a. Maintain responsibility for all IT functions and the physical environment within the business, in consultation with Group IT.
 - b. Identify and attend to any queries on the system timeously.
 7. Provide support to CEO:
 - a. Provide operational support to the CEO, as may be required from time to time, in addition to the aforementioned functions and responsibilities.
 - b. Fulfil the role of CEO role in cases where the CEO is unavailable, on leave or incapacitated. The extent of this role is outlined below.
